Subject: Daily Coronavirus Update - UPDATES HIGHLIGHTED IN BLUE

Wednesday April 1st, 2020 – Coronavirus Update **Please note**
anything highlighted in blue is new information

Goal 1: Keep employees healthy and safe

A. New N95 Mask Guidelines: N95 masks can be reused after 96 hours.

- i. Continue using your N95 mask for 5 donning and doffing – Use a new brown paper bag with each use.
 - ii. After the 5 uses – Place in brown paper bag, write date, and your name.
 - iii. After 96 hours the N95 mask may be used again.
- B. Katy Trail will be reaching out to patients that we test for COVID and quarantine to their home.
 - a. It will be important is assess symptoms, whether they are getting better or worsening.
 - b. A document is being created and will be shared with you.

Goal 2: Keeping possible COVID-19 patients from entering our buildings

- A. Adopted DHSS algorithm for testing
- B. As more test become available we will shift to testing as many patients as possible.

Goal 3: Continue to provide high quality of care to our patients and our communities patients by using science to guide prevention, testing, and treatment

- A. As of March 31, we have provided 231 interactive (zoom) visits and 120 telephone visits
- B. COVID Test Availability:
 - a. Marshall: 9 test
 - b. Sedalia: 11 test
 - c. Versailles: 5 test
 - d. Warsaw: 2 test
- C. Received 40 COVID swabs from Quest Diagnostic’s today.
 - a. Once Quest Diagnostics have our accounts fully setup, we will be able to start utilizing them. I am expecting by the end of the week.
- D. Creating a process for Dr. Kashani to start seeing Well-Child Appointments in the Dental RV.

Goal 4: Contribute to the community efforts to address the crisis

Goal 5: Assure our financial security in order to sustain our services

- A. State Medicaid agency is considering reimbursement through PPS to keep cash flows in CHCs
- B. Continue case management
- C. SBA Payroll Protection Act – Steve has completed the pre-application a portion of which can be forgiven.

To our providers:

1. DHSS Provider Line: 877-435-8411
2. DHSS at 800-392-0272 (24/7) to immediately report any patients who meet criteria for evaluation as a Patient Under Investigation (PUI) for 2019-nCoV
3. Providers are meeting via Zoom daily from 12:25 to 12:45
4. Implementing new template, adding 4 new patients slots per day for all providers.
5. Well Child Visits will be via zoom with immunizations given by nurses.
6. Building pediatric sick template.
7. Increasing the number of providers working from home.
8. All swabs will be completed nasopharyngeal.

1. Cases Reported in U.S.

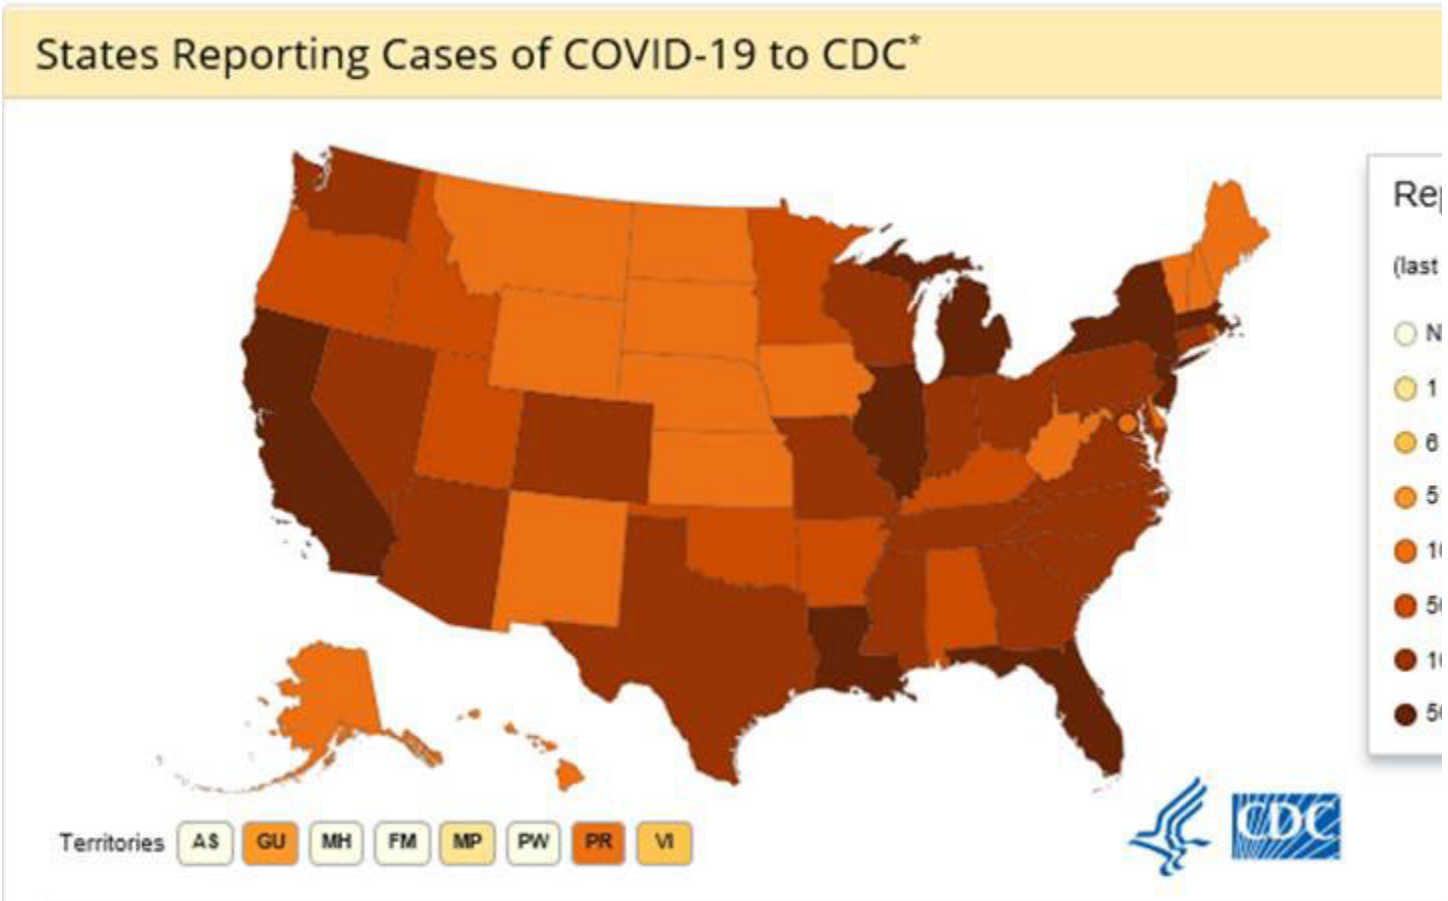

a. As of today, there has been a total of 186,101 COVID-19 cases in the United States. Please see map below of states reporting COVID-19 cases.

2. In Missouri:

a. 1581 positive COVID-19 cases

3. Katy Trail has test 29 patients for COVID-19 – Katy Trail has had 1 positive COVID Test

- a. Sedalia tested 10 patients
- b. Warsaw tested: 9 patients
- c. Versailles tested: 10 patients
- d. Marshall tested: 0
