

How to See a Patient's Encounters

If you are in the resource schedule, double click on the encounter. At the bottom left of the screen you will see a button called encounters. Click on this button.

The next screen that shows up will show you all past and future encounters:

03/02/2021	08:00 am	RESTOR	PEN	VANDEVEN...	VANDEVEN...		D1	Katy Trail C...
02/09/2021	08:00 am	ESTPT	PEN	BRUCE, JENIE	BRUCE, JENIE	diabetic check	01	Katy Trail C...

If you are in the office visits screen, click on the patient's name. When the progress note pops up, click on the word "Encounters" listed in the solid blue bar at the top of the progress note:

How to See a Patient's Encounters

If the patient does not have an appointment on the schedule, you are just searching for them. The HUB will be the screen that pops up after you click on their name. On the left side of the HUB you will scan down until you see the word "Encounters" and click on it:
