Monday April 13th, 2020 – Coronavirus Update **Please note**
anything highlighted in blue is new information

Goal 1: Keep employees healthy and safe

- A. Employees are asked to stay home if sick. Katy Trail has instituted a policy that any employees calling in sick with a respiratory or GI symptoms accompanied by fever will be granted paid time off. This will not affect your current PTO or EIB time.
- B. The CDC recommends that everyone should wear a mask to prevent exposure. Cloth mask are being donated to our clinics, please take one and wear it.
- C. Protect Yourself:
 - a. Bring an extra change of clothes with you to work and change before leaving for the day or remove your clothes in your garage and place them in the wash immediately.
 - b. Keep a pair of work shoes here at all times and change them out before heading home.
 - c. Lockers are available for your personal items.
- D. Emergency Response: please don appropriate PPE before responding to a medical emergency. Appropriate PPE would include: surgical mask, gloves, and gown.
- E. Be sure you are wearing a cloth mask when in the clinic, especially when talking to others. If you are in an office then it is not recommended.
- F. It is your responsibility to stay healthy when outside of Katy Trail.
 - a. If you are not feeling well please notify your manager before coming into work.
- G. On your arrival into the clinic, your temperature will be taken. If your temperature is above 100.4. You will be asked to return to your vehicle but stay in the parking lot and notify your manager. Your manager will provide you with additional instructions.
 - a. The policy is attached and will be placed on the intranet.
- H. Hand sanitizer is available to you if you have a spray bottle. This is located in Chelsey Taft's office.
 - a. Spray bottles have been ordered and are expected this week.

Goal 2: Keep possible COVID-19 patients from spreading illness to the community

- A. When calling patients regarding negative COVID-19 test results. Please address if there symptoms are getting better, the same, or worsening. If patient states there symptoms are the same or getting worse please notify the provider and an appointment may be needed.
 - a. COVID-19 test sensitivity is not 100%. It is important to address their symptoms and determine if further action is needed.
 - b. Scripting will be shared at your morning huddle.
- B. Community Testing will began Tuesday April the 14th.
 - a. Katy Trail will be accepting orders for COVID testing from outside providers.
 - b. Each clinic will be creating a drive-thru testing site. All individuals will be scheduled for their test.
