Goal 2: Keep possible COVID-19 patients from spreading illness to the community

- A. When calling patients regarding negative COVID-19 test results. Please address if there symptoms are getting better, the same, or worsening. If patient states there symptoms are the same or getting worse please notify the provider and an appointment may be needed.

- a. COVID-19 test sensitivity is not 100%. It is important to address their symptoms and determine if further action is needed.

Goal 3: Continue to provide high quality of care to our patients and our communities patients by using science to guide prevention, testing, and treatment

- A. Number of patients seen today during the community testing hours:
 - a. Marshal: Community Testing Not Open
 - b. Sedalia: 8 individuals tested
 - c. Versailles: 0 individuals tested
 - d. Warsaw: 4 individuals tested
- B. Staff from all of our locations will be assisting Saline County tomorrow. Katy Trail staff will be testing ConAgra employees. Staff worked aggressively to put together a process in a short amount of time. All participants joined a Zoom call and the process was shared and questions were answered. We are ready to serve of community!

Goal 4: Contribute to the community efforts to address the crisis

- A. Handing out food boxes to Katy Trail patients that we test for COVID-19 and are quarantined
- B. Reaching out to food pantries in other counties and seeing how we can assist them
- C. Participating daily in the Incident Command Meeting

Goal 5: Assure our financial security in order to sustain our services

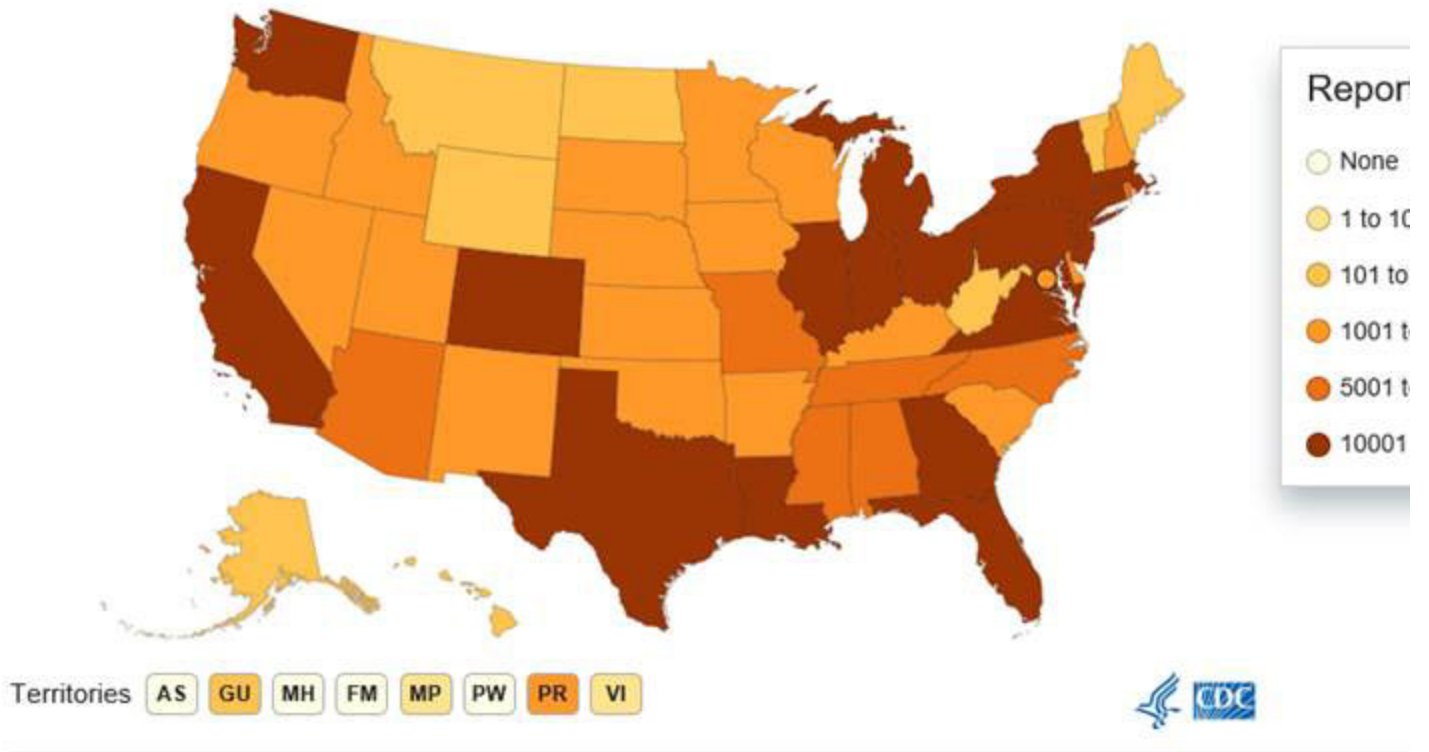

- A. Small Business Loan – Katy Trail has been approved.

Oral Health Update from Dr. Vandevender and Mendy:

To our providers:

Standing Items:

- 1. Cases Reported in U.S.
 - a. As of today, there has been a total of 828,441 COVID-19 cases in the United States. Please see map below of states reporting COVID-19 cases.
- 2. In Missouri:
