- A. Small Business Loan – Katy Trail has been approved.
- B. Applied for the FCC telehealth grant
- C. Received CARES Emergency funds
- D. KTCH is billing for both telehealth and telephone visits

**Goal 6: Plan for the new future of KTCH**

- A. Continuing with EHR implementation. Expected go-live date with ECW will be October 1<sup>st</sup>.
- B. Population Health approach to virtual visits – Working on a process.
  - a. Currently, case managers are reaching out to high-risk patients that need a follow up appointment and to ensure they have the resources they need. Also, there are two active PDSA's that were put into place. One PDSA is reaching out to patients that are due for a colon cancer screening. Staff are delivering a goodie bag that contains a roll of toilet paper and a FIT Test. What better time to capture these patients while they are in the comfort of their home! The second PDSA is reaching out to our uncontrolled hypertension patients. For those that have uncontrolled hypertension and need to be monitored more closely, staff are delivering blood pressure cuffs to their home.

**Oral Health Update from Dr. Vandevender and Mendy:**

**To our providers:**

- A. Putting processes in place to start seeing patient's in clinics via face to face. Once patients can be scheduled a face to face appointment, the patient will be asked screening questions and will wear a cloth face mask while in the clinic.
- B. Keep in mind those patients that need to have a face to face appointment, share these patients with your care teams for scheduling purposes.
- C. Patients with respiratory symptoms will be seen outside the clinic.
- D. There has been an increase in the number of positives in Pettis County.

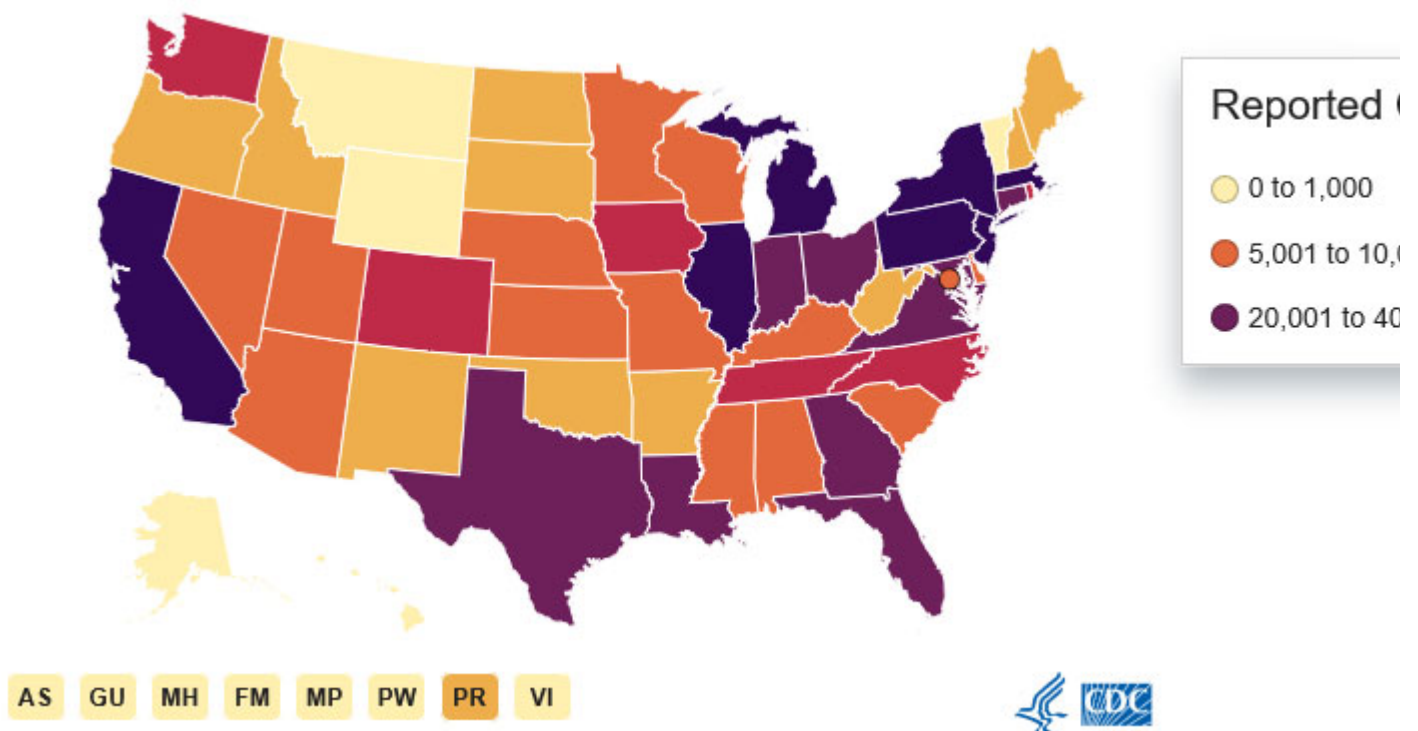

**Standing Items:**

**1. Cases Reported in U.S.**
