

DME equipment can be ordered similar to a prescription from either the progress note or a telephone encounter.

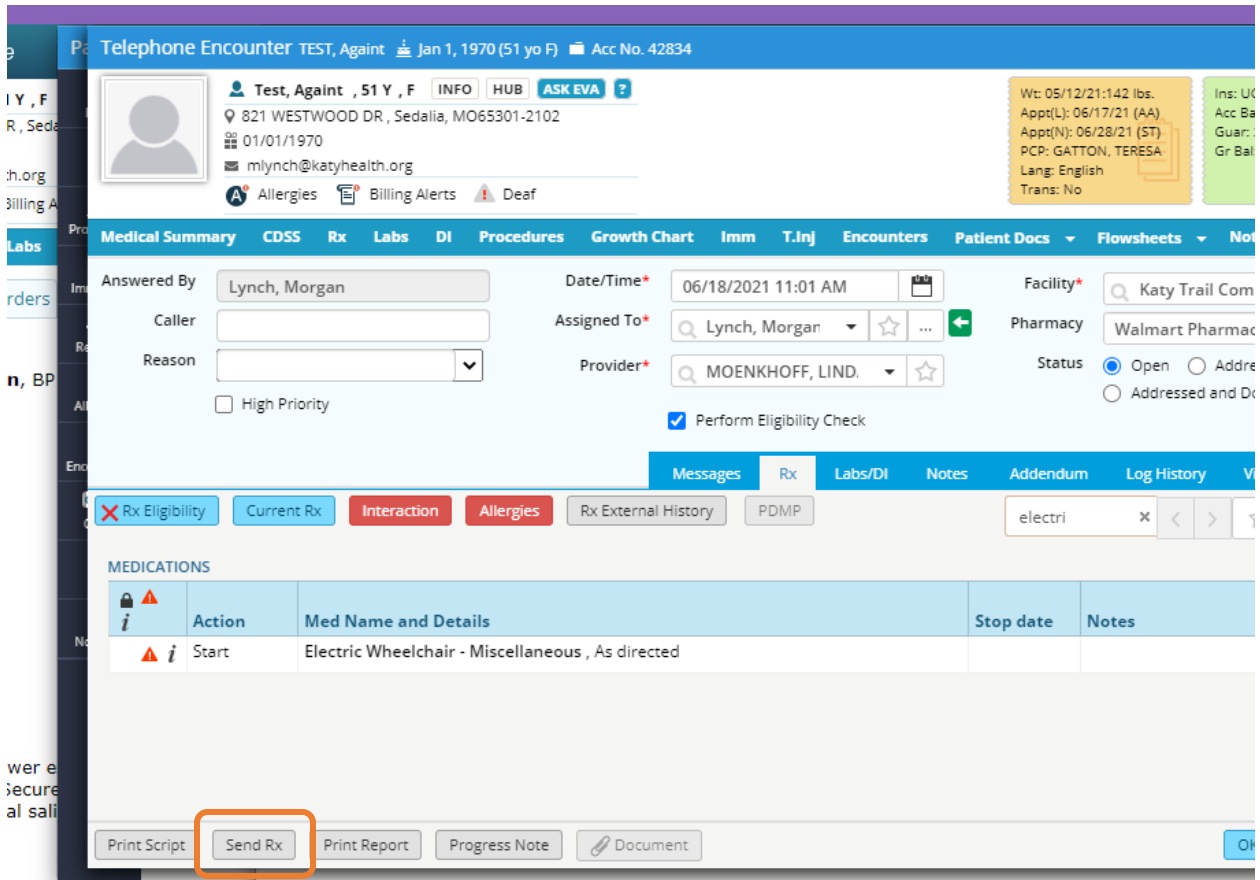

1. Open the prescription window to enter a new prescription
2. Verify that your filter is set to **All Rx**

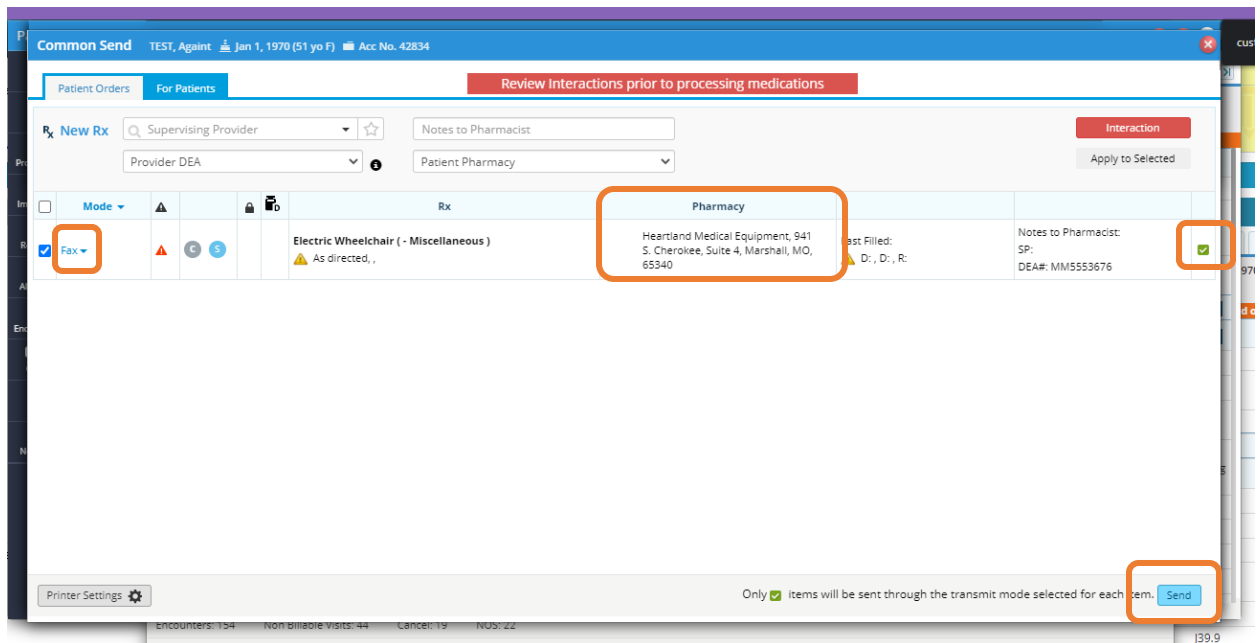

3. Search & select **Electric Wheelchair**

4. Select **Send RX** at the bottom of the screen to fax order to DME company

5. Change the Mode to **Fax** and select/change the pharmacy to the DME supply company

6. Validate that there is a green checkmark on the far right

7. Press **Send** to fax
