

# Immunization- Documenting TB Results

1. Enter the administration through the **Imm** tab as normal (see Immunization Documentation workflow)
2. When pt returns, you will open the Imm tab from the progress note or Hub.
3. Select and Open the TB listed from administration
4. Enter the
  - i. **Impression**
  - ii. **Interpretation**
  - iii. **Read By**
  - iv. **Date & Time**

5. The impression will now result on the Overview tab of the right chart panel and will also be available directly on the imm record

Vaccine	Date Given	Dose	Lot No.	NDC Code	Exp. Date
1. TB INTRADERMAL TEST	06/02/2021	0.1 mL			

Location : Manufacturer : Given By : Morgan Lynch

(READING) Negative, Induration: 0 mm, Placement Date: 06/02/2021, Read by: Lynch, Morgan on 06/05/2021 at 10:33 AM
