

# How To Document Telemedicine Informed Consent obtained

1. In the progress note, select **HPI**
2. Select the **Telemedicine Consent** category
3. Select the option that applies to the visit

4. The verbiage for that consent will open. Click once on the verbiage to the left. It will populate into the text box to the right. Select "OK" to save.
5. Continue with the visit.

# How To Document Telemedicine Informed Consent obtained

The screenshot shows a medical software interface with a text entry field on the left and a form on the right. The text entry field contains a paragraph of text. The form has several sections with dropdown menus and radio buttons. Callouts are present: an orange box on the left points to the text, an orange box on the right points to the text entry field, and an orange box at the bottom right points to the 'OK' button.

1. Select anywhere on this text

2. The text will load in this box

3. Select "OK" to save
