

Historical Immunizations (Not found on ShowMeVax) can be documented directly through the progress notes **Imm** tab or the patient's Hub:

1. Select the **Imm/ T Inj** tab to open the immunizations module.
2. Select **Add**

The screenshot shows the 'Immunizations/T.Injections' module for a patient named TEST, Againt, born Jan 1, 1970. The interface includes a table of existing immunizations and a 'Recommendations' panel on the right.

S	Name	Dose	Date	Given By	Location	Lot Number
	DTap	0.5 mL	03/29/2021	ToddMcCarty, Lezlie	Left Arm	
(NA)	DTap	0.5 mL	11/04/2020
